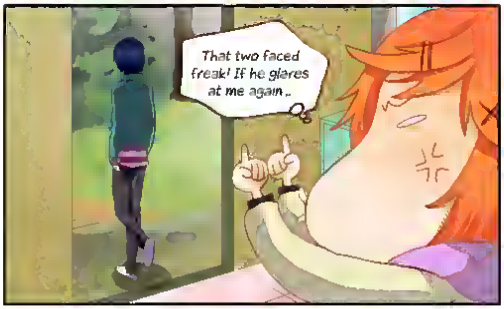
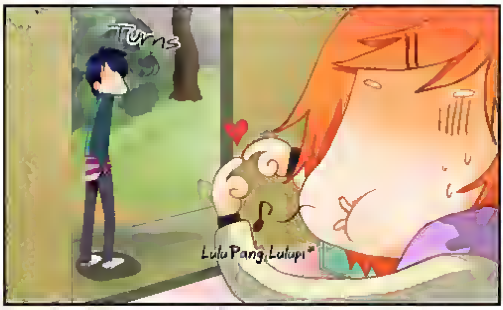
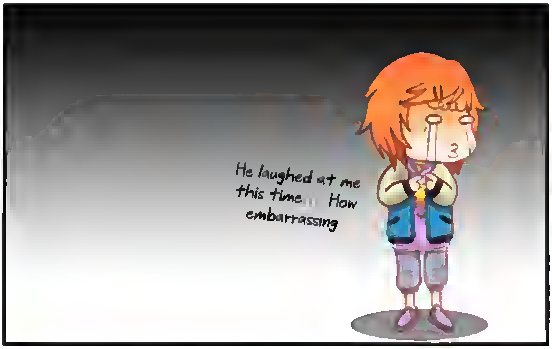
Ohohoho my, so polite~
You think this is funny?



Yet cannot use her middle finger



T/N Seems like this is from the anime "Kaitou Saint Tail", considering the main character chants her magic in Korean



He laughed at me this time... How embarrassing

So... Are you bragging?
It must be nice having a boy live next door.

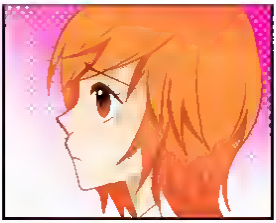
They are trying to be quite...

When you told me he came over to give you some cake, he sounded like a pretty polite guy Isn't that good enough?
Maybe he made that face because he was surprised to find out you were a girl?
You picking a fight?
No way~

Was he making that face because I was dressed like that?

Sloppy

Maybe he actually thought I was a guy...?

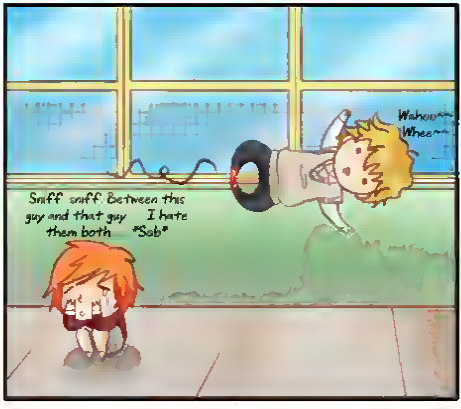


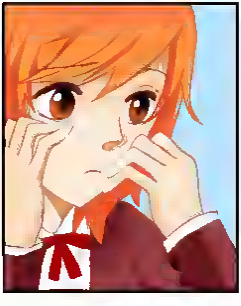
Well, I guess it's bad to judge a book by its cover

But still! He shouldn't be making that kind of face. I'll probably see him a lot... SO annoying!!

Cherry blossoms...?

Trying to be scary like a ghost because he is a ghost.





Thinking about it...
I'm curious.

How long will he stay here?

Ah! A butterfly!! Ha Ram, catch it for me!!
